Suave comic comin'

That suave, not-so-gentlemanly Toronto stand-up gentleman, the perpetually on-the-make Michael Gelbart, is hot as a pistol of late. He's writing the Gemini show, headlining through the weekend at Yuk Yuk's Superclub, and his amorous adventures on the U.S. Left Coast have fuelled both his already considerable confidence in his ability to ascend to the Hollywood big time and his mutating mass of material. Gelbart's sharp, classy stuff about an ex-Montrealer in L.A. and attacks the media, movies and the idiosyncratic hype that dictates the direction of his own often pathetic, often triumphant life. A lot of fun in either case. Thursday and Sunday at 8:30 pm, Friday and Saturday at 8:15 and 10:30 pm. \$8 to \$15. 2335 Yonge.
